

ANIRIT URBAN AGROFOODS PVT. LTD. HYDROPONIC GROWERS

OPTIMIZING NATURE AND TECHNOLOGY

ABOUT ANIRIT URBAN AGROFOODS

We At Anirit Urban Agrofoods Are Bringing Together The Best Of Nature And Technology.

We offer consistent quality and year round supply of fresh Hydroponic vegetables and fruits for businesses on our 40 acre farm in Nashik. We think together we can build a more sustainable agricultural ecosystem. Our products are carefully nurtured, residue free, hygienic and of premium quality.

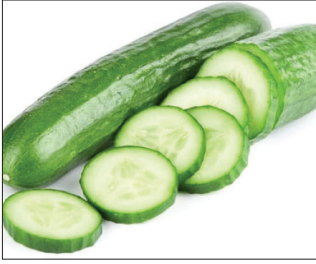

We are one of India's largest integrated hydroponic growers. We have deployed state of the art technology to grow lettuce, basil, tomatoes, greens, cucumber, zucchini and many more products. We also use Polyhouse cultivation techniques at our farms.
